Identity theft is the nation's fastest-growing crime. If you are one of our customers with a home, renter or farm policy, we at Farmers Union Insurance are including **at no charge** for you and your family members, personal assistance should you become a victim of this crime. We have partnered with **Identity Theft 911**, the leading identity theft solution company in the country, to bring this valuable service to our home, renter and farm policyholders.

If you become a victim of identity theft, simply call us at (800) 347-1961, option 5 and ask for a claim representative. We'll then get you in touch with an advocate from Identity Theft 911 to guide you through the restoration process – one-on-one, start to finish.

Follow our link above to our identity theft education website for the latest information on keeping your personal data safe, and to learn about having a personal advocate help you through the process of getting your life back should you become a victim. You may also talk with your agent for these details or if you would like to become a home, renter or farm customer in order to qualify for this important identity theft assistance program.
