

We Care

At Farmers Union Insurance, we recognize and appreciate your hard work in managing a successful business, and we share your desire to offer the very best in customer service. Our commitment is to assist you in financially protecting your business and the position in the community that you have earned.

We Mean Business

...we offer a package policy designed to provide all of the important property and liability coverages every business should have. We also offer a number of optional coverages so your insurance program can be customized to your particular needs.

We Believe

...that a good business insurance program should include these very important features:

- A core of coverages essential to all businesses, including property, debris removal, loss of earnings, exterior building glass and liability
- The opportunity to choose additional coverages and endorsements to meet particular business needs
- A variety of choices for deductibles and coverage limits

We have just the product that meets these requirements—our Farmers Union Insurance Contractors Package Policy!

5619 DTC Parkway, Suite 300
